

Conferences (alphabetical order)

- Barchi M., Lupattelli A. and Mirabella F. (2008) - *Balanced cross-sections across a low angle normal fault in the Northern Apennines of Italy*. **Congresso della Societa' Geologica Italiana**, September 15-17 2008, Sassari (Italy).
- Barchi M., Mirabella F., Chiaraluce L., Cocco M. and Montone P. (2008) - *An active low angle normal fault in the Northern Apennines (Italy): a possible site for ICDP drilling*, **33rd International Geological Congress (IGC) | Oslo August 6-14th 2008 (Norway)**.
- Cheloni D., N D'Agostino, I Hunstad, G Selvaggi, R Maseroli (2008) - *Strain Accumulation in the Messina Straits (Southern Italy) From Terrestrial Geodetic Measurements and GPS observations*, **AGU 2008 Fall Meeting | 15 – 19 December 2008**.
- Chiaraluce L., C. Chiarabba, C. Collettini, D. Piccinini and M. Cocco (2008)- *Anatomy and seismic release of a major normal fault system located along the Northern Apennines of Italy*, **27th ECGS Workshop "Seismicity Patterns in the Euro-Med Region", EUROPEAN CENTER FOR GEODYNAMICS AND SEISMOLOGY**, November 2008.
- D'Agostino N., D Cheloni, F Bernardi, I Hunstad, B Palombo, G Selvaggi (2008) - *Reassessment of the interseismic and coseismic deformation in the Messina Straits*, **AGU 2008 Fall Meeting | 15 – 19 December 2008**.
- D'Amico, S., Orecchio, B., Presti, D., Zhu, L., Herrmann, R. B., Neri, G. (2008) - *Moment Tensor Solutions in the Area of the 1908 Messina Earthquake: Preliminary Results* | Poster, **1908 – 2008: Scienza e Società a 100 anni dal grande Terremoto, Reggio Calabria (Italy) | December 10 – 12 2008**.
- D'Amico, S., Orecchio, B., Presti, D., Zhu, L., Herrmann, R. B., Neri, G. (2009) - *Moment tensor solutions of recent earthquakes in the Messina Straits area, southern Italy* **Seismological Society of America, Annual Meeting, Monterey, CA, (USA), April 8 – 11 2009** | poster.
- D'Anna, R., Mangano, G., D'Alessandro, A., D'Anna, R., Passafiume, G., Speciale, S., Selvaggi, G., Margheriti, L., Patanè, D., Luzio, D., and Calò, M. (2008) - *"MESSINA 1908-2008" - Progetto di ricerca integrato sull'area Calabro - Peloritana: la campagna OBS/H* | poster **1908 – 2008: Scienza e Società a 100 anni dal grande Terremoto, Reggio Calabria (Italy) | December 10 – 12 2008**.
- Govoni, A., Margheriti, L., D'Anna, R., Selvaggi, G., Patanè, D., Moretti, M. and Zuccarello, L. (2008) - *Messina 1908-2008: understanding crust dynamics and subduction in Southern Italy*, **AGU 2008 Fall Meeting | 15 – 19 December 2008**.
- Festa G. and Zollo A. (2009) - *Early radiation and final magnitude: insights from source kinematics*, **2nd International Workshop on Earthquake Early Warning, Kyoto, Japan | April 21-22, 2009**.
- Iannaccone G., Zollo A. et. al. (2009) - *PRESTo: a new stand-alone software tool for earthquake early warning*, **2nd International Workshop on Earthquake Early Warning, Kyoto, Japan | April 21-22, 2009**.
- Iannaccone G., Zollo A., Satriano C. et. al. (2009) - *The Irpinia Sesimic Network (ISNet): hardware and data management*, **EGU General Assembly, Vienna, Austria | 19 - 24 April 2009**.
- Mattia, Mario Valentina Bruno, Mimmo Palano and Flavio Cannav` - *Crustal motion along the Calabro-Peloritan Arc as imaged by twelve years of measurements on a dense GPS network*, **1908 – 2008: Scienza e Società a 100 anni dal grande Terremoto, Reggio Calabria (Italy) | December 10 – 12 2008**.
- Moretti M., A. Govoni L. Abruzzese, G. Aiesi, P. Baccheschi, F. Criscuoli, G. D'Anna, R. D'Anna, G. De Luca, D. Franceschi, L. Giovani, F.P. Lucente, L. Zuccarello, A.G. Mandiello, A. Basili, A. Bono, C. Castellano, F. Criscuoli, S. Mazza, O. Torrisi (2008) - *"Messina 1908-2008" - Progetto Di Ricerca Integrato Sull'area Calabro - Peloritana: La Campagna Sismica* | poster, **1908 – 2008: Scienza e Società a 100 anni dal grande Terremoto, Reggio Calabria (Italy) | December 10 – 12 2008**.
- Neri, G., Presti D. (2008) - *Indagini sismologiche per la caratterizzazione delle strutture sismogenetiche e la valutazione dell'hazard sismico nell'area dello Stretto di Messina e*

settori limitrofi. | **1908 — 2008: Scienza e Società a 100 anni dal grande Terremoto, Reggio Calabria (Italy) | December 10—12 2008.**

- Pastori M., Piccinini D., Zaccarelli L., Valoroso L., Bianco F., Margheriti L. (2008) - *Shear Wave Splitting Versus Faults And Stress Field In The Val D'agri (Southern Italy) Analysed With Automatic Procedures*, **33rd International Geological Congress (IGC) | Oslo August 6-14th 2008 (Norway)**

- Satriano et al. (2009) - *Earthquake Early Warning: System performance and application design*, **International Workshop on Real Time Seismology: Rapid Characterization of the Earthquake Source and of its Effects**, Erice, Italy, May 2-8.

- Selvaggi Giulio, Lucia Margheriti, Giuseppe D'Anna e Domenico Patanè (2008)- "Il Progetto Messina 1908-2008: Nuovi Dati Per Comprendere Relazione Tra Subduzione E Cinematica Crostale Nell'arco Calabro-Peloritano, **1908 — 2008: Scienza e Società a 100 anni dal grande Terremoto, Reggio Calabria (Italy) | December 10—12 2008.**

- Stabile T.A., De Matteis R., Zollo A. and Emolo A. (2009) - *COMRAD: a dynamic ray-tracing algorithm for rapid multi-phase seismogram computation*, **EGU General Assembly, Vienna, Austria | 19 - 24 April 2009.**

- Zollo A. (2009) - The earthquake early warning system in Southern Italy: technologies, methods and performance evaluation, **EGU General Assembly, Vienna, Austria | 19 - 24 April 2009.**

- Zollo A., Iannaccone G. et. al. (2008) - *Performance test of earthquake early warning system in southern Italy*, **ESC - XXXI General Assembly**, Crete, Greece, 7-12 September 2008.
